The Two Thirsty Gardeners show that brewing your own delicious alcoholic drinks can be surprisingly **quick, easy and inexpensive**. Taking their two great loves – alcohol and gardening – Nick Hood and Richard Moyle will provide you with home brewing recipes to inspire you to turn a surplus harvest, a visit to a fruit farm or a delivery from a supermarket into a fantastic variety of drinks.

Brew it Yourself is a collection of more than 75 home brewing recipes, sure to put a fizz back into this popular pastime by adding a modern twist to some old favourites and introducing whole new range of drinks to tantalise the taste buds.

With drinks ranging from a classic elderflower sparkle to homemade absinthe, Richard and Nick bring the art of home brewing back to earth. They'll tell you how to turn surplus fruit harvests into amazing wines and liqueurs; introduce you to the ancient arts of mead and cider making; guide you through some easy beer recipes, from hop packed IPAs to a striking Viking ale; use surprising ingredients such as lavender and nettles for some fun sparkling drink recipes; and take you on a world booze cruise that includes a Mexican pineapple tepache, Scandinavian mulled glogg and Finnish lemon sima.

Brew it Yourself also debunks the myths around home brewing, celebrates experimentation and takes the fear out of the science of fermentation. It proves that creating your own tasty alcoholic drinks doesn't need to be complicated, doesn't need to be costly and, most importantly, can be a whole lot of fun!
