Buddhas of the Celestial Gallery: The Poster Collection: 20 Removable Posters

Awaken your inner Buddha with these stunning posters selected from the acclaimed *Buddhas of the Celestial Gallery*.

The original *Buddhas of the Celestial Gallery* works of art were made from natural and mineral hand-ground pigments and painted at times with just three hairs of a cat's tail. Each painting is done in the traditional Tibetan thangka style and can take months to create.

Steeped in rich spiritual significance, traditional thangka paintings portray the celestial sphere through geometric mandala and Buddhist symbolism. Each of the posters in this collection invites viewers to meditate on Buddha's message of love, peace, and enlightenment.

The large size and vibrant full-color printing of these posters allows for an appreciation of the incredible detail and thought put into each piece, and the removable pages make it easier than ever to display these beautiful paintings throughout the home and office.
