P.S. I Like You

Kasie West

P.S. I Like You Kasie West

Signed, sealed, delivered...

While spacing out in Chemistry class, Lily scribbles some of her favorite song lyrics onto her desk. The next day, she finds that someone has continued the lyrics on the desk, and added a message to her. Intrigue!

Soon, Lily and her anonymous pen pal are exchanging full-on letters -- sharing secrets, recommending bands, and opening up to each other. Lily realizes she's kind of falling for this letter writer. Only who is he? As Lily attempts to unravel the mystery, and juggle school, friends, crushes, and her crazy family, she discovers that matters of the heart can't always be spelled out...

Kasie West brings irresistible wit, warmth, and sparkle to this swoon-worthy story of love showing up when you least expect it.

From reader reviews:

Alvin Shaw:

As people who live in the actual modest era should be change about what going on or information even knowledge to make these individuals keep up with the era which can be always change and make progress. Some of you maybe will update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what type you should start with. This P.S. I Like You is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

Ernie Swisher:

Spent a free a chance to be fun activity to perform! A lot of people spent their free time with their family, or their particular friends. Usually they performing activity like watching television, going to beach, or picnic from the park. They actually doing same task every week. Do you feel it? Do you wish to something different to fill your own free time/ holiday? Could possibly be reading a book can be option to fill your no cost time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to try out look for book, may be the book untitled P.S. I Like You can be great book to read. May be it could be best activity to you.

Julia Flowers:

Are you kind of hectic person, only have 10 as well as 15 minute in your day to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are having problem with the book as compared to can satisfy your small amount of time to read it because this time you only find reserve that need more time to be study. P.S. I Like You can be your answer given it can be read by anyone who have those short extra time problems.

Roxie Gregory:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this P.S. I Like You can make you feel more interested to read.
