The Autobiography of St. Ignatius Saint Ignatius Of Loyola

This account of the life of St. Ignatius, dictated by himself, is considered by the Bollandists the most valuable record of the great Founder of the Society of Jesus. The editors of the Stimmen Aus Maria Laach, the German review, as well as those of the English magazine, The Month, tell us that it, more than any other work, gives an insight into the spiritual life of St. Ignatius. Few works in ascetical literature, except the writings of St. Teresa and St. Augustine, impart such a knowledge of the soul.

To understand fully the Spiritual Exercises, we should know something of the man who wrote them. In this life of St. Ignatius, told in his own words, we acquire an intimate knowledge of the author of the Exercises. We discern the Saint's natural disposition, which was the foundation of his spiritual character. We learn of his conversion, his trials, the obstacles in his way, the heroism with which he accomplished his great mission.
