## **Tom Paine: A Political Life (Grove Great Lives)** John Keane

"More than any other public figure of the eighteenth century, Tom Paine strikes our times like a trumpet blast from a distant world." So begins John Keane's magnificent and award-winning (the Fraunces Tavern Book Award) biography of one of democracy's greatest champions. Among friends and enemies alike, Paine earned a reputation as a notorious pamphleteer, one of the greatest political figures of his day, and the author of three best-selling books, *Common Sense*, *The Rights of Man*, and *The Age of Reason*. Setting his compelling narrative against a vivid social backdrop of prerevolutionary America and the French Revolution, John Keane melds together the public and the shadowy private sides of Paine's life in a remarkable piece of scholarship. This is the definitive biography of a man whose life and work profoundly shaped the modern age. "Provide[s] an engaging perspective on England, America, and France in the tumultuous years of the late eighteenth century." -- Pauline Maier, *The New York Times Book Review* "It is hard to imagine this magnificent biography ever being superceded.... It is a stylish, splendidly erudite work." -- Terry Eagleton, *The Guardian*
