Go beyond the mechanics of Final Cut Express HD 3.5--learn how to edit with it! More than a button-pushing manual--this workshop give you firsthand experience with the art and technique of editing. You develop a working knowledge of this powerful editing application with eleven tutorials that cover each and every essential, including:

- * setting up your system and understanding the interface
- * getting your material into FCE and organizing it
- * slicing, dicing, and organizing clips
- * editing to build and trim a sequence of shots
- * adding transitions
- * using sound to refine your edit
- * titling with FCE and Photoshop
- * animating images to create engaging scenes
- * adding special effects filters
- * compositing to enhance your projects
- * outputting your material

The companion DVD contains a video introduction to FCE that is especially designed for iMovie users. It compares and contrasts the two applications to ease the transition. The DVD-ROM portion contains project media, demo software, and free plug-ins for your use.
