Law and Philosophy Subversive of Democracy (San Francisco State University Series in Philosophy)

James W. Syfers

Law and Philosophy Subversive of Democracy explores certain bodies of law - as well as a deep-seated cultural-philosophical premise behind the law - that are subversive of democracy in the United States. James W. Syfers examines the basis of the opposition to the International Bill of Human Rights (IBHR) - the international legal foundation for democracy worldwide - in the same cultural-philosophical premise known as *philosophic individualism*.
