West Orange (Postcard History Series) Joseph Fagan

Although West Orange is best known for Thomas Edison, there is much more to this New Jersey town than its famous inventor. Through vintage postcards, West Orange explores the town's history from the days of cable cars that once climbed the mountain to the long-gone amusement park at Crystal Lake. Postcards illustrate how Llewellyn Park and Eagle Rock share a common beginning and West Orange once had two train stations. The familiar roads of home come alive as images reveal West Orange's rich history.
