### **How to use pricing as a strategic tool to increase revenues and win the war for profit**

One of the greatest pitfalls in the war for profits is corporate strategists' lack of a practical understanding of the link between overall revenues and overall costs. In *Winning the Profit Game*, the thought leaders at A. T. Kearney unveil a revolutionary new approach to establishing clear, strategic links between the top and bottom lines. No dry academic treatise, *Winning the Profit Game* is a guide to growing profits, in boom times and bust, using smart top-line strategies that optimize price, costs, customer behavior, and volumes. The authors clearly lay out the basic principles involved and also include:

- Proven strategies for transforming added value into revenues and winning the war for profits
- Prescriptive frameworks for putting the principles and strategies into action, immediately
- Numerous success stories based on experiences of A. T. Kearney clients worldwide
