## **Astrología del amor (Spanish Edition)** Marisa Bassani

Vivir en pareja y ser feliz es sentimiento y racionalidad al mismo tiempo. Hay que ver al otro por lo que es, y vernos a nosotros mismos por lo que somos. ¿Pero cómo sacarnos la venda de los ojos? No es fácil ver con claridad, especialmente en pleno siglo XXI, con una vida acelerada y cada vez más rápida. Para poder ver, crecer y ser feliz en pareja hay que frenarse, reflexionar, ser honesto.

La astrología nos puede ayudar a entender el amor, ya que es una ciencia milenaria, tan antigua como el ser humano mismo. Este libro permite acceder a nuestro signo combinado, que surge al conectar la astrología china, cuyos signos se basan en el año de nacimiento, con los doce signos astrológicos occidentales, que se basan en la fecha de nacimiento sin importar el año, y son mucho más conocidos y sencillos. Una vez que haya identificado sus signos, combínelos utilizando el componente chino como primer elemento y el occidental como el segundo, y encontrará todo lo que necesita saber para encontrar el amor.
