The thrilling new Moon Shifter novel from *New York Times* bestselling author Katie Reus.

Losing her was the hardest thing he'd ever endured....

Warrior shifter Aiden's investigation of the trafficking of vampire blood leads to a startling discovery: the beautiful vampire bondmate he thought was dead. Decades ago, they'd defied their powerful families to be together, but then Larissa disappeared without a trace. When their mating link broke, it nearly destroyed Aiden. Now she's back with no memory of where she's been. Even more shattering—Larissa claims she has no idea who Aiden is.

Now she's back....

It's a race against time to bring down an operation more evil than his pack ever suspected, and Aiden finds himself working side by side with a mate who no longer trusts him—and she wants out. But he lost her once, and he won't let her go again. Unfortunately, Larissa's blood is the key to a powerful monster's dangerous plan—and he'll stop at nothing to destroy her, sparking off a war between the supernaturals and humans that no one will win.
