Look! Jeff Mack

This hilarious tale of a friendship forged by books is the perfect picture book for fans of IT'S A BOOK and OFFICER BUCKLE AND GLORIA! A great read-aloud for storytime.

Everyone needs a little attention from time to time. Just ask our gorilla who will stop at nothing to be noticed by the boy with his eyes glued to the TV set. But for the gorilla, it's going to take more than a quiet nudge to steal away the boy's attention. When his usual antics fail to catch the boy's eye—LOOK OUT! The gorilla has some other tricks up his sleeve.

Using only two words—LOOK and OUT—Jeff Mack relates an adorably hilarious story about an attention-loving gorilla, a television-loving boy, and a friendship that develops over books. Simple in construct yet richly creative, this interactive and colorful tale will leave children laughing and loving books for years to come.

Perfect for fans of *It's a Book* and *Officer Buckle and Gloria*.

Praise for LOOK!:

An Amazon Best Book of the Month!

* "The slapstick action unfolds on linen-textured backgrounds, battered vintage book covers, and the actual pages of a book—hat-tips to the physicality of books that hint at a happy ending for bibliophiles of all ages. Even if audiences miss these winks and nods to the tactile pleasures of reading, they'll still love that gorilla: hulking, eager-to-please and almost palpably furry, he'll be welcome in any room."—*Publishers Weekly*, STARRED REVIEW

"The personalities and emotions of the chunky, fluffy ape and the TV-entranced boy nearly vibrate off the page. Look, indeed! An energetic invitation to the joys of books."—*Kirkus Reviews*

"This is a fun read-aloud that will have children wanting to look and look again."—*School Library Journal*

"Mack's gentle, cartoonish illustrations are cleverly drawn on old book covers and endpapers, a subtle detail that emphasizes the joy of reading, and with a playful two-word vocabulary, even the littlest readers will be able to get in on the fun."—*Booklist*

"*Look!* treads familiar metafictional ground in celebrating the pleasures of reading, but it manages to feel fresh nonetheless, with inventive use of controlled text, vibrant mixed-media art, and thoughtful design."—*Horn Book*

From reader reviews:

Angela Caves:

Here thing why this particular Look! are different and reputable to be yours. First of all reading through a book is good but it really depends in the content than it which is the content is as delightful as food or not. Look! giving you information deeper and different ways, you can find any publication out there but there is no guide that similar with Look!. It gives you thrill reading journey, its open up your eyes about the thing which happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in park, café, or even in your means home by train. For anyone who is having difficulties in bringing the printed book maybe the form of Look! in e-book can be your alternative.

Armando Lemaire:

Look! can be one of your starter books that are good idea. All of us recommend that straight away because this publication has good vocabulary that could increase your knowledge in vocab, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort that will put every word into satisfaction arrangement in writing Look! yet doesn't forget the main position, giving the reader the hottest and also based confirm resource details that maybe you can be among it. This great information may drawn you into brand new stage of crucial contemplating.

Harold Riggs:

Are you kind of busy person, only have 10 or 15 minute in your day time to upgrading your mind talent or thinking skill possibly analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your short space of time to read it because all of this time you only find book that need more time to be learn. Look! can be your answer as it can be read by a person who have those short extra time problems.

Lorraine Vargas:

Is it anyone who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This Look! can be the answer, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this fresh era is common not a nerd activity. So what these ebooks have than the others?
