## **Mrs. Beeton's Book of Household Management: The 1861 Classic with Advice on Cooking, Cleaning, Childrearing, Entertaining, and More** Isabella Beeton

Originally published as twenty-four newspaper columns from 1859 to 1861, *Mrs. Beeton's Book of Household Management* is many things, but it is first and foremost a guide to managing a household during the nineteenth century.

Beeton wrote, "As with the commander of an army, or the leader of any enterprise, so is it with the mistress of a house." Running an extravagant household was a monumental task and a responsibility not to be taken lightly. It meant supervising every employee, from the butler to the laundry-maid to the footman and the wet nurse. It meant managing the safety, happiness, comfort, and well-being of the family.

In addition to offering advice on a wide range of domestic topics, this abridged edition of *Mrs. Beeton's Book of Household Management* contains hundreds of original recipes. A compendium of practical information about everything from animal husbandry to child care, this Victorian classic is both fascinating and still useful.

Sarah A. Chrisman, author of *Victorian Secrets* and *This Victorian Life* provides the foreword, reflecting on how she uses Mrs. Beeton's advice on a daily basis.
