Slayers: Friends and Traitors

C. J. Hill

Slayers: Friends and Traitors C. J. Hill

In C.J. Hill's action-packed sequel to *Slayers*, the group of teens known as Slayers have been betrayed—but they won't give up without a fight.

Tori's got a problem. She thought she'd have one more summer to train as a dragon Slayer, but time has run out. When Tori hears the horrifying sound of dragon eggs hatching, she knows the Slayers are in trouble. In less than a year, the dragons will be fully grown and completely lethal. The Slayers are well-prepared, but their group is still not complete, and Tori is determined to track down Ryker—the mysterious missing Slayer.

What Tori doesn't bargain for, however, is the surprising truth about her powers. She isn't just a Slayer, she's part Dragon Lord, too. How can Tori fight to save her friends when half of her is programmed to *protect* dragons? And with a possible traitor in their midst, the Slayers will be divided in more ways than they ever imagined.

So now let us teach you the relaxing pattern at this point is your body and mind will be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

Aimee Buffington:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Slayers: Friends and Traitors can make you really feel more interested to read.
