Smack, a.k.a. Plum Wine Dark Chocolate is the true story of the author, a post-modern medicine man, fated to live out the dark, disowned side of life. Applying fundamental Jungian ideas he narrates experiences and the evolutionary process of self-realization and recovering the Shadow. Honoring the fire of imagination, he dances with creation and creativity, articulating the difficult integration process with pure delight. Speaking about the soul, from soul, he authenticates the fact of transformation and the embodiment of perfectly flawed wholeness. What religious scholars called sacred, he finds expanded psychologically as archetypal. Focusing on inner work he consciously realizes he's living another incarnation, in a longer mythic life, one delineating his souls continued move to destiny.
