Hotshot federal agent John Starkweather thinks he's seen it all. But when he's called to exorcise Caleb, he finds a creature that isn't supposed to exist outside of stories. For Gray is a drakul: a vampire who drinks the blood of the demon-possessed.

If Gray can't be exorcised within 40 days, the possession will become permanent. In the meantime, the three must find a way to work together. As they hunt down demons and save the innocent, the heat between John and Caleb explodes into passion. But when divided loyalties threaten his last chance at exorcism, Caleb discovers love may come at a price higher than he'd ever imagined.
