A luxurious mansion. Thirty stunning bachelorettes. One very eligible bachelor. All of the ingredients are in place for a successful reality dating show, and behind the scenes, Tori Winters is set to pull the romantic strings as assistant director of Vows. Despite her distaste for public exhibitions of love which spelled the death of her last relationship Tori intends to give the public exactly what they want: scintillating footage of a bevy of beauties vying for the attention of Christopher Caine. But Chris, a consummate Southern gentleman and the star of Vows, seems almost too good to be true and soon, even Tori finds herself falling under his spell. Despite legal obligations to avoid fraternizing with the talent, it's clear her feelings are anything but unrequited. With the support of her friends in the Newport Ladies Book Club, Tori must make a life-altering decision: Is she willing to jeopardize all she's worked for in order to embrace her own fairy-tale ending?
