Brady Wilks

*Alternative Photographic Processes* teaches techniques, both analog & digital, allowing artists to bring a personal touch through manipulation of a photograph, the negative, and the print. This book stands apart from recent publications on alternative processes by presenting a range of new approaches and methods to achieve popular techniques, as well as providing step-by-step guidance for an array of unique techniques meant to inspire artists working in various mediums. Through detailed guidance, working artist examples, and info about the contemporary use of these processes, this book will provide instruction for students, educators, and artists to expand their creative toolbox.
