Follow Sandra and friends as they navigate life, love, and their late-twenties in Germany's hip Berlin.

After more or less fulfilling Simone Kohl's request, Sandra looks at her own love life and is heartbroken. Her melancholy only intensifies as she watches her parents move into their new nest like lovebirds. If that were not enough, her back pain has returned. Sandra desperately needs a distraction. But alas, in seeking an unlikely diversion, Sandra is caught off guard by her parents and has some explaining to do...

The Coffee Shop - a cozy café in Germany's capital, Berlin - just happens to be the best office in the world. From here, Sandra practices her quirky trade as a "finder-of things." She caters to customers who have lost or want to find something that's missing from their lives. Doric Columns as an engagement gift? Check. Missing childhood photos? Done. But in her quest to grant other people's wishes, Sandra suddenly finds herself in search of her own happiness - and of herself. Toss in a dead goose, and it's the perfect recipe for romantic disaster.
