Interpreting Deuteronomy: Issues and Approaches

Interpreting Deuteronomy: Issues and Approaches

The book of Deuteronomy has been immensely influential, not least within the Old Testament itself. It is found among the most frequently occurring manuscripts at Qumran, and it is also one of the Old Testament books most frequently cited in the New Testament. In Matthew's Gospel, it is Deuteronomy which Jesus cites in rejecting temptation.

As with so many other Old Testament books, study of Deuteronomy is in the midst of significant change. While for many scholars the Documentary Hypothesis has continued to provide a framework for interpretation, it no longer commands the status of an "assured result." Instead, fresh approaches have been developed, engendering their own debates. Recent as well as older study affirms that Deuteronomy represents a distinctive theological voice within the Pentateuch.

While many excellent resources are now available, these tend to be either introductory or highly specialized; there are fewer that bridge the gap between the two. This volume contributes to that need: it assumes some foundational knowledge and guides readers through current issues and approaches. Here is evangelical scholarship that will inform, stimulate and reward diligent teachers and preachers of the Old Testament.

The contributors are Paul Barker, Jenny Corcoran, David G. Firth, Greg Goswell, Christian Hofreiter, Philip S. Johnston, James Robson, Csilla Saysell, Heath Thomas, Peter T. Vogt and John H. Walton.

Tyler Emery:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Interpreting Deuteronomy: Issues and Approaches can make you really feel more interested to read.
