Kenya (Africa in the New Millennium) Godwin R. Murunga, Shadrack W. Nasong'o

This uniquely comprehensive study of Kenya's political trajectory shows how the struggle for democracy has been waged in civil society, through opposition parties, and amongst traditionally marginalised groups like women and the young. It also considers the remaining impediments to democratisation, in the form of a powerful police force and damaging structural adjustment policies. Thus, the authors argue, democratisation in Kenya is a laborious and non-linear process.
