Island Practice: Cobblestone Rash, Underground Tom, and Other Adventures of a Nantucket Doctor

Pam Belluck

With a Foreword by Nathaniel Philbrick, author of the bestseller *In the Heart of the Sea*

If you need an appendectomy, he can do it with a stone scalpel he carved himself. If you have a condition nobody can diagnose—"creeping eruption" perhaps—he can identify what it is, and treat it. A baby with toe-tourniquet syndrome, a human leg that's washed ashore, a horse with Lyme disease, a narcoleptic falling face-first in the street, a hermit living underground—hardly anything is off-limits for Dr. Timothy J. Lepore.

This is the spirited, true story of a colorful, contrarian doctor on the world-famous island of Nantucket. Thirty miles out to sea, in a strikingly offbeat place known for wealthy summer people but also home to independent-minded, idiosyncratic year-rounders, Lepore holds the life of the island, often quite literally, in his hands. He's surgeon, medical examiner, football team doctor, tick expert, unofficial psychologist, accidental homicide detective, occasional veterinarian. When crisis strikes, he's deeply involved.

He's treated Jimmy Buffett, Chris Matthews, and various Kennedy relatives, but he makes house calls for anyone and lets people pay him nothing—or anything: oatmeal raisin cookies, a weather-beaten .44 Magnum, a picture of a Nepalese shaman.

Lepore can be controversial and contradictory, espousing conservative views while performing abortions and giving patients marijuana cookies. He has unusual hobbies: he's a gun fanatic, roadkill collector, and concocter of pastimes like knitting dog-hair sweaters.

Ultimately, *Island Practice* is about a doctor utterly essential to a community at a time when medicine is increasingly money-driven and impersonal. Can he remain a maverick even as a healthcare chain subsumes his hospital? Every community has—or, some would say, needs—a Doctor Lepore, and his island's drive to retain individuality in a cookie-cutter world is echoed across the country.

Lorenzo Lowe:

Playing with family within a park, coming to see the sea world or hanging out with good friends is thing that usually you may have done when you have spare time, and then why you don't try factor that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Island Practice: Cobblestone Rash, Underground Tom, and Other Adventures of a Nantucket Doctor, you are able to enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh can happen its mind hangout folks. What? Still don't buy it, oh come on its named reading friends.

Terrie Newlin:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Island Practice: Cobblestone Rash, Underground Tom, and Other

Adventures of a Nantucket Doctor can make you truly feel more interested to read.
