**Re-read Book 4 in the romantic suspense series Operation: Midnight by New York Times bestselling author Linda Castillo.** Deep-cover operative Mike Madrid tracked Jessica Atwood with ease, but one look at her revealed her innocence. On the run with an orphan in tow, the spitfire called out to Madrid, stirring passions he thought long buried. But on this terrifying night, the secrets of Lighthouse Point would be exposed. And there were those who wouldn't allow that to happen. Jess needed Mike's protection from a desperate community, but could they reveal the truth about a dead mother without cutting to the heart of the growing attraction between them?
