Norwegian Knitting Designs

Handknitting allows the designer an unbounded freedom to create a completely personal expression of their art through the use of colour, embellishments, structure and styling, using only knitting needles and skeins of yarn. In this beautiful book, previously published in the USA as 'Norsk Strikkedesign', some of Norway's foremost knitting designers present twenty-two unique knitted garments, all using classic Norwegian-spun wool yarns and based on traditional Norwegian patterns. Each design is accompanied by stunning photographs of the items themselves as well as the countryside that inspired them, and details of the materials used, pattern charts and detailed instructions. This book presents the very best of contemporary Norwegian knitwear design, drawing on its traditional roots and planting it firmly in the twenty-first century.
