## **The Global Environment: Institutions, Law, and Policy**

The new edition of Regina S. Axelrod and Stacy D. VanDeveer's award-winning volume, **The Global Environment: Institutions, Law, and Policy**, reflects the latest events in global environmental politics and sustainable development while providing balanced coverage of the key institutions, issues, laws, and policies. The volume has been reorganized to better highlight global environmental institutions, major state and non-state actors, and includes an expanded set of cases such as climate change, biodiversity, hazardous chemicals, ozone layer depletion, nuclear energy and resource consumption. Based on reviewer feedback, the new edition broadens coverage of the growing global environmental agenda and explores the relationships between states, NGOs, and international organizations.
