The Museum Susan Verde

When I see a work of art, something happens in my heart!

As a little girl tours and twirls through the halls of the art museum, she finds herself on an exciting adventure. Each piece of art evokes something new inside of her: silliness, curiosity, joy, and ultimately inspiration. When confronted with an empty white canvas, she is energized to create and express herself—which is the greatest feeling of all.

With exuberant illustrations by Peter H. Reynolds, *The Museum* playfully captures the many emotions experienced through the power of art, and each child's unique creative process.

Praise for *The Museum*

"Verde and Reynolds deliver a simple premise with a charming payoff... this "twirly-whirly" homage to a museum is, on balance, a sweet-natured and handsome celebration."

—*Kirkus Reviews*

"Debut author Verde makes an engaging case for understanding art as an experience rather than an object."

—*Publishers Weekly*

"The rhymed text captures the excitement of a being sparked by art."

—*Booklist*

"Communicates a fresh, playful, childlike perspective on art and normalizes childlike responses to it. The idea that posing, laughing, and curious questions are all appropriate museum behavior may be a new one for both children and parents, and knowing this is sure to make for more enjoyable museum visits."

—*School Library Journal*

"For parents who have trouble communicating the excitement of art to their children, *The Museum* can serve as the starting point for a conversation. The book is also a wonderful reminder of visual art's power to encourage and empower self-expression. Children and adults will finish this book excited about their next art experience, and perhaps tempted to dance through the halls of a museum in the near future."

—*Bookpage*

"This playful picture book pays tribute to the joyous effect art can have on the viewer."

—*Shelf-Awareness*

From reader reviews:

Robert Tyson:

This The Museum book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is information inside this book incredible fresh, you will get data which is getting deeper you read a lot of information you will get. That The Museum without we comprehend teach the one who examining it become critical in contemplating and analyzing. Don't possibly be worry The Museum can bring any time you are and not make your carrier space or bookshelves' turn out to be full because you can have it with your lovely laptop even phone. This The Museum having fine arrangement in word along with layout, so you will not feel uninterested in reading.

Drew Poland:

Reading a guide tends to be new life style within this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Having book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the storyline that share in the ebooks. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some exploration before they write with their book. One of them is this The Museum.

Deanna Reed:

People live in this new morning of lifestyle always attempt to and must have the free time or they will get lot of stress from both way of life and work. So , when we ask do people have time, we will say absolutely indeed. People is human not just a robot. Then we consult again, what kind of activity do you possess when the spare time coming to a person of course your answer will certainly unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative inside spending your spare time, the book you have read is The Museum.

Cheryl Burnett:

Is it a person who having spare time then spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This The Museum can be the response, oh how comes? It's a book you know. You are thus out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these publications have than the others?
