Bailey's Irish Dream by Stephanie Doyle

Married by thirty or else!

If still single on her birthday, Baily Monohan promised her family she'd return home and marry her boring childhood sweetheart. But fate has other plans when Baily is involved in an accident with a black Mercedes—driven by a man with an even blacker temper! Daniel Blake is headed east, as well—to *stop* a wedding! Can these two drive cross-country together without crossing swords? Or perhaps *they'll* be the ones crossing the threshold—together!

Czech Mate by Kate Thomas

She knew all the right moves...

Wendy Marek needs to see green—as in money to finance her studies in fashion design in Paris. But to claim her inheritance she must marry. Visiting Czech Peter Havel also needs to see green—as in green card! What will Wendy do with a Czech math genius with the body of an Olympic gold medalist? Well, marry him, of course. However, what will happen to this marriage of convenience when love enters the equation?
