Meet Indie Kidd, who is celebrating her 10th birthday. Or she would be celebrating if it weren't for a horrible school project. Indie's teacher loves making lists and wants the students to list their top three talents. Never mind three talents, Indie can hardly think of one. Her super-talented best friends, Soph and Fee, have quickly finished their lists. Now, there's no time to lose as the girls team up to help Indie find her special talents. She tries just about everything from hair wrapping to magic tricks. There's got to be something Indie's good at—or at least good(ish).
