Introspective! Extraordinaire! A Union of the Holy Bible, Life and Poetry! Path to the Light cleverly blends biblical scriptures, real-life inquiries and poetry. Through the use of poetic verse and biblical documentation, Steve McLemore tackles some of life's soul-searching themes. More than a book of poems, its target is humankind; its theme - an answer to fundamental questions; its reference - the Holy Bible, and its genre - poetic expression. With its intergenerational appeal, this work of artistic expression is thought-provoking and may precipitate discussion and even debate. It is evident that many seasons were dedicated to the preparation of this document. Path to the Light is a must-have for your library, book shelf and/or used as a teaching tool. Recommended for those who are trying to get it right!
