Tantric Transformation: When Love Meets Meditation (OSHO Classics) Osho

In the 'Tantric Transformation' we are introduced to the sacred and ancient tradition of Tantra by a contemporary Tantric master, Osho. We are given a detailed map of Tantra: inner man, inner woman; the meeting of man and woman; the transformation of energy through sex, love and meditation. Based on the Royal Song of Saraha, we are not just introduced to an Asian sex tradition but with Osho we enter the higher levels of transformation.

Here we find Tantra as a door to freedom: freedom from all mind-constructs, mind games; freedom from all structures and freedom from the other.

Love and meditation merge and provide a path to liberation. 'Tantric Transformation' is a very alive, concrete book for exploration of our own energy, of our own inner space. You don't just read Osho, you undefine yourself.
