The Atlas of Emergency Medicine, Third Edition R. Jason Thurman, Kevin Knoop, Lawrence Stack, Alan Storrow

The most complete and trusted visual compendium of emergency medicine—extensively updated with 1500 full-color illustrations

A Doody's Core Title for 2011!

4 STAR DOODY'S REVIEW!

"This is an excellent study aid, especially for visual learners....This atlas is perhaps the most comprehensive source of high quality emergency medicine images available....This book is outstanding. I used it just before my in-service exam and found it a delightful way to solidify the information with images, which greatly increases the chance of recall."--*Doody's Review Service*

Ideally suited to the bedside practice of emergency medicine, *The Atlas of Emergency Medicine* is the ultimate visual guide to the diagnosis and treatment of common and uncommon conditions encountered in the Emergency Department. Filled with 1500 crisp, clear full-color images, this essential clinical companion is logically organized by organ system and then by problem, making it a practical quick reference for medical students, residents in training, new graduates preparing for their certification exam, the practicing physician, and instructors.

The third edition of *The Atlas of Emergency Medicine* features an even more streamlined presentation with clear, concise text and an unmatched collection of diagnoses-speeding images. Forming the core of the book, these images show you what to look for and are accompanied by brief, high-yield descriptions of clinical problems. The new edition also features an enhanced template, and new coverage of airway emergencies, tropical conditions, toxicologic emergencies, and electrocardiographs.

NEW TO THIS EDITION

- **1,500 full-color clinical photographs** (more than twice the amount found in the previous edition)
- **New chapter template:**
 - “**Clinical Summary**”: clinically relevant observations on differential diagnosis
 - “**Emergency Department Treatment and Disposition**”: a brief overview of need-to-know diagnostic guidelines and recommendations
 - “**Clinical Pearls**”: instructive tips and insights on specific aspects of conditions which are difficult to find in other texts
- **Four new chapters that enhance the book’s hands-on value:**
 - Tropical Medicine:** reflects an increased emphasis on global access to healthcare and easier patient travel
 - Toxicology:** features an up-to-date, authoritative review of how to diagnose and treat selected toxicological emergencies
 - ECG Abnormalities:** presents turnkey insights into the rapid recognition of pathological ECG’s, highlighting the electrocardiographic characteristics of each featured clinical problem
 - Airway Procedures:** includes essential information that guides, improves, and expedites the management of airway emergencies

From reader reviews:

Corrine Switzer:

The book with title The Atlas of Emergency Medicine, Third Edition includes a lot of information that you can understand it. You can get a lot of gain after read this book. This book exist new expertise the information that exist in this publication represented the condition of the world currently. That is important to yo7u to know how the improvement of the world. This kind of book will bring you with new era of the globalization. You can read the e-book in your smart phone, so you can read the item anywhere you want.

Robert Densmore:

The reason why? Because this The Atlas of Emergency Medicine, Third Edition is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will shock you with the secret the item inside. Reading this book alongside it was fantastic author who else write the book in such remarkable way makes the content within easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of gains than the other book possess such as help improving your skill and your critical thinking way. So , still want to postpone having that book? If I have been you I will go to the reserve store hurriedly.

Irene Weinstein:

Are you kind of busy person, only have 10 or 15 minute in your day to upgrading your mind skill or thinking skill also analytical thinking? Then you are having problem with the book than can satisfy your small amount of time to read it because this time you only find guide that need more time to be learn. The Atlas of Emergency Medicine, Third Edition can be your answer because it can be read by you actually who have those short spare time problems.

Helen Jackson:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Atlas of Emergency Medicine, Third Edition can make you really feel more interested to read.
