The Portable Malcolm X Reader (Penguin Classics)

A look at Malcolm X's life and times from his Pulitzer Prize–winning biographer, Manning Marable

Manning Marable's Pulitzer Prize–winning biography, *Malcolm X: A Life of Reinvention*, has already begun to reshape perceptions of one of America's great revolutionary thinkers. This volume, the first collection of major documents addressing Malcolm X in decades, features never-before-published material, including articles from major newspapers and underground presses, oral histories, police reports, and FBI files, to shine a brighter light on Malcolm's life and times. Conceived as both a companion to the biography and a standalone volume, and assembled by Marable and his key researcher, Garrett Felber, prior to Marable's untimely death, *The Portable Malcolm X Reader* presents an invaluable portrait of Malcolm X.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.
