**Atopic Dermatitis: Itchy, itchy skin (Colección Salud)** Rosalinda Guerrero

Children diseases need parents care; however, it is important that the children help. Atopic dermatitis is very common in children, 20% of them suffer this ailment all over the world. How can I know that my child has this suffering? You need to check his/her skin, specially face and joints, only this way we will know that our kid has injures. Itching is the principal symptom of atopic dermatitis but it can also be the consequence of other factors. Does it have a cure? Notice that treatment is just to control the ailment but time will heal it. This illness could get complicated If we don't know how to help our children.
