**The stakes have never been higher as an elite team member must outwit a dangerous killer and save the man she's sworn to protect. The second installment of the exhilarating Safeguard series from Piper J. Drake.** Kyle Yeun didn't start out bad and he doesn't intend to end his life while on the wrong side of the law, either. His testimony to his former employer's environmental misdeeds has earned him a protection detail compliments of the US government. But due to a dark international conspiracy Kyle was unaware of, his former employers have made ending his life a top priority. Realizing he needs more protection than the US Marshals can provide, he turns to Safeguard after seeing the beautiful, deadly Lizzy Scott in action. One look at Kyle, and sniper Lizzy Scott knows this isn't going to be an easy protection job. He's arrogant, irritating and almost irresistible. Instead of being put off by her hardened attitude, Kyle seems to thrive off the challenge. And she's slowly giving in to his charms. After narrowly escaping the latest assassination attempt, Lizzy starts taking dangerous risks to keep him safe. But the last thing Kyle wants is another life ruined because of his actions. He found his redemption in Lizzy's arms and he'll risk everything to make sure they both make it out alive. As will she, even if it means walking away from him to keep him safe. *Book two of the Safeguard series* This book is approximately 72,000 words
