**La Carta De Priscila: Encontrado El Autor De La Epistola a Los Hebreos (Spanish Edition)** Ruth Hoppin

Why was the name of the author of the Epistle to the Hebrews lost so early in its history? Tracking down every clue, Ruth Hoppin, an independent researcher in New Testament studies, asserts that Priscilla, a woman leader in the Church, and an associate of Paul, is the only suspect who meets every qualification for authorship. Acclaimed by scholars and laypersons, La Carta de Priscila brings Harnack's hypothesis of 1900 into the 21st century with compelling new evidence. Recognition of Priscilla will increase our understanding of the early Church.
