Not Forgotten Alexandra Day

Those of us who share our lives with animals whose time on earth is shorter than ours must at sometime cope with the pain of losing these friends to death.

From her own experience and from the accounts of other animal owners, Alexandra Day has come to feel that animals who have departed this world want to send a message of reassurance and comfort to their beloved human friends.

Alexandra Day, the author and artist of the Good Dog, Carl series has paired her message of love and remembrance with an array of images featuring animals and their human companions.
