## Along Wyomings Continental Divide Trail

The Continental Divide Trail spans some 600 miles through the state of Wyoming. Scott Smith backpacked through sections of this extraordinary trail photographing and writing about his adventures along the rugged desert hills of the Wind River Range to the mountains of the Teton Wilderness. The engaging story of his adventure includes historical and geological information of the region, accompanied by large, full-color photographs that bring the full experience to life. The natural splendor of Wyoming is revealed through this unique glimpse into some of the state's most wild and remote areas.
