From the 9th to the early 20th century, from Paris under siege by Vikings to colonial Kenya, the stone's legacy is inescapable. Those who inherit will be consumed by fire.

Dear Reader,

You are embarking on an adventure that has been two years in the making. Hearts Aflame was the brainchild of 13 authors known collectively as Love Historicals. Four eventually participated in the final publication. For four busy, bestselling authors to collaborate successfully on creating brand new stories around a central theme is an achievement in itself, and we are proud of the result. We hope you come to love the Rowan family as you follow the history of their heirloom from the 9th to the 20th centuries. For more information about each individual author, you can visit the Love Historicals website at lovehistoricals.com

When Vikings attack Paris and kill her father, Fia is trapped, in danger and far from home. Rowan's rescue of her may only renew the bitterness of the betrayal that ended their friendship years ago. Dare she accept Rowan's friendship again, or is it possible an even more intimate connection awaits with the man she swore to hate forever?

Matthew de Rowenne burns with resentment when King Henry sends him to quell an uprising in Galloway...and expects him to marry a Scot. But Matthew can never marry. The stone's legacy promises fire will consume his bride.

A LEGENDARY LOVE by Catherine Kean

Helena vows never to see or speak to Tavis again, but when her father falls ill, Tavis might be the only one who can save him. Does she dare to trust the roguish Scot with dangerous secrets, especially when he's determined to win her heart?
