Hunter's Pride (The Hunters) Shiloh Walker

A woman determined to find answers, a man sworn to keep secrets.

She was a child when it happened, an innocent brutalized by a man who was meant to protect her. When Kennedy ran, he came after her with every intention to kill—only to find himself face to face with creatures no rational human could explain.

Now, fifteen years later, Kennedy has returned to Pride Mountain, intent of finding out more about the creatures that saved her. Are they animals? Or something more...

Duncan Pride remembers Kennedy. But the woman he sees is nothing like that terrified child he saved. But he can't let her learn the truth of Pride Mountain. He doesn't count on her stubbornness, or her courage. He also doesn't plan on falling in love with the willful, beautiful woman.

He can't let that get in the way—his Pride is counting on him.

This book has been previously published and has been repackaged. This book is also based in the same world as The Hunters, although it completely stands alone.

Warning: Warning: this title contains hot, steamy, explicit sex told in contemporary graphic language and violence.
