Scrolls for the King: Poems, Tales, and Memories of My Soul Mya C Huff

Scrolls for the King is a collection of poems and artistic pieces. These poems are inspired by faith and life experiences. The author hopes that these poems will inspire and encourage others. There are over 70 different pieces of work contained within this one book. It is the authors' hope that each reader may be able to identify with at least one. These pieces are tales of both victory and triumph. Most of all, this book is a reminder that no matter what our experiences have been, in Christ Jesus we are more than conquerors.
