In Book One: Independence Hall, we met Q and his stepsister, Angela. We met their rocker parents, Blaze and Roger; we met the Secret Service team protecting the family; and we met the main players of the Mossad team that is following them. Book Two takes us on another thrilling caper, this time to the White House where Q and Angela continue their quest to uncover the truth behind the supposed death of Angela's real mother--a former Secret Service agent--while trying to differentiate the "good guys" from the "bad guys."
