Zed: A Cosmic Tale Michel Gagne

When a cute little alien named ZED demonstrates his invention to the Hierarchy of the Galaxy, something goes wrong-- terribly wrong! Before long, ZED's universe is thrown into complete turmoil and our little hero must face nearly insurmountable odds trying to survive and save the very fate of his home world.

Imbued with a dark edge, peppered with pure silliness, and wrapped up in a childlike sense of wonder, ZED's adventures will keep readers tickled and captivated from start to finish.

Originally published in comic book form over a period of eleven years, ZED has been completely revised and remastered for this definitive edition.
