Blood Orange Drusilla Campbell

From the acclaimed author of *The Edge of the Sky* and *Wildwood* comes a spellbinding tale of domestic drama in the powerful tradition of Jacqueline Mitchard's *The Deep End of the Ocean* that will capture your heart--and your imagination--from the very first page.

Dana Cabot cannot remember the kind of person she was before May 29th, the day she became angry at God, at her workaholic attorney husband, and herself. The day her seven-year-old daughter, Bailey, disappeared. As the months wear on without a trace of her adorable but troubled child, Dana can't help blaming her husband's controversial defense of an accused abuser for playing a role in the abduction--and it shows in the strain on their marriage. But then a shocking event offers a clue to what really happened to Bailey--and Dana's unwitting part in it. Haunted by the unthinkable consequences of revealing everything she knows, Dana must decide whether to keep the truth to herself--or risk losing the rest of her family.

Suspenseful, searing, and poignant, this beautifully written novel offers stunning insights into the meaning of honesty--in marriage, in friendship, and in justice. . .

Praise for Drusilla Campbell's Wildwood

"The pull of family and career, the limits of friendship and the demands of love all come to vivid life."--
Susan Vreeland, author of *Girl in Hyacinth Blue*

"Resist the urge to turn the page to find out what happens next. Linger, instead, to savor the skillfully crafted writing."--Judy Reeves, author of *The Writer's Book of Days*

From reader reviews:

Brenda Gregg:

Do you have favorite book? Should you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each guide has different aim as well as goal; it means that reserve has different type. Some people truly feel enjoy to spend their time to read a book. They are really reading whatever they have because their hobby is definitely reading a book. Think about the person who don't like examining a book? Sometime, individual feel need book if they found difficult problem or maybe exercise. Well, probably you will want this Blood Orange.

Michele Anderson:

Book is to be different per grade. Book for children until eventually adult are different content. To be sure that book is very important for all of us. The book Blood Orange was making you to know about other information and of course you can take more information. It is very advantages for you. The publication Blood Orange is not only giving you far more new information but also for being your friend when you sense bored. You can spend your spend time to read your reserve. Try to make relationship together with the book Blood Orange. You never feel lose out for everything when you read some books.

Lola Taylor:

Information is provisions for anyone to get better life, information presently can get by anyone on everywhere. The information can be a knowledge or any news even a concern. What people must be consider when those information which is inside former life are difficult to be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you receive the unstable resource then you have it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Blood Orange as the daily resource information.

Shelly Reder:

You may spend your free time you just read this book this publication. This Blood Orange is simple to develop you can read it in the area, in the beach, train as well as soon. If you did not get much space to bring often the printed book, you can buy the actual e-book. It is make you easier to read it. You can save often the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.
