La mémoire est un délire de reconstruction: Explorations maçonniques (French Edition) Francis Baudoux

Ce livre commence par mettre en lumière la vie mouvementée de ma Loge-Mère, de Francis Baudoux la R. : L. : « Le ciment », G. : O. : B. : No 83 de 5967 à 5982. C'est au cours de cette année qu'un groupe de contestataires dont j'ai fait partie a décidé d'essaimer. Les feux de l'atelier que nous avons créée, la R. : L. : « Le temps des cerises », ont été allumés en 5983. Après quelques années aussi euphoriques que créatives, sont apparues les flammes de la discorde. Cet incendie ravageur que nul n'a pu éteindre, a entraîné un essaimage conflictuel. Près de la moitié des FF ont créé la R. : L. : « La butte aux cailles ».

Au delà du caractère historique, voire anecdotique, de cette aventure, ce livre est une incitation à braquer nos projecteurs sur un des fondements majeurs de notre humanité. À éclairer cette fameuse LIBERTÉ qui nous est si chère et dont les modalités et les limites sont pourtant si aléatoires.
