Not a Happy Camper: A Memoir Mindy Schneider

Remember those long sultry summer days at camp, the sun setting over the lake as you sang “Kumbaya”? Well, Mindy Schneider remembers her summer at Camp Kin-A-Hurra in 1974 just a wee bit differently. *Not a Happy Camper* chronicles a young girl’s adventures at a camp where the sun never shines, the breakfast cereal dates back to the summer of 1922, and many of the counselors speak no English. For eight eye-opening and unforgettable weeks, Mindy and her eccentric band of friends—including Autumn Evening Schwartz, the daughter of hippies, who communicates with the dead, and the sleep-dancing, bibliophile Betty Gilbert--keep busy feuding in color wars, failing at sports, and uncovering the camp’s hidden past. As she focuses on landing the perfect boyfriend and longs for her first kiss, Mindy unexpectedly stumbles across something infinitely grander: herself. Hilarious, charming, and glowing with nostalgia, Mindy Schneider’s memoir is a must-read for anyone who’s ever been to summer camp, or wishes they had.

Richard Kowalski:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Not a Happy Camper: A Memoir can make you sense more interested to read.
