Spring Break

Barbara Steiner

Spring Break Barbara Steiner

Five high school kids get their dream vacation—which soon turns into a nightmare

Angie, her brother, and her three best friends anticipate the perfect spring break when their prayers are answered—a beach vacation without parents! The only problem is finding somewhere to stay—turns out every hotel is filled with other spring breakers. They luck out when they find a three-story beach-house rental, which happens to be run by the incredibly handsome Val. Is it too good to be true?

Soon, Angie starts hearing strange noises—footsteps, a mysterious sound of crying. Her friends say her imagination is getting the best of her, but when one by one, they go missing, she knows the danger is real . . . and this vacation could be her last.

From reader reviews:

Nakia Schultz:

In this 21st century, people become competitive in most way. By being competitive currently, people have do something to make these individuals survives, being in the middle of typically the crowded place and notice by surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Sure, by reading a publication your ability to survive improve then having chance to stand up than other is high. For yourself who want to start reading a new book, we give you that Spring Break book as starter and daily reading book. Why, because this book is greater than just a book.

Richard Eby:

As people who live in typically the modest era should be revise about what going on or information even knowledge to make them keep up with the era which can be always change and progress. Some of you maybe will update themselves by studying books. It is a good choice for you personally but the problems coming to anyone is you don't know which you should start with. This Spring Break is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

Jeanie Clark:

Reading a guide tends to be new life style in this particular era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only situation that share in the books. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some exploration before they write with their book. One of them is this Spring Break.

Robert Hansen:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many concern for the book? But any people feel that they enjoy regarding reading. Some people likes examining, not only science book but novel and Spring Break or perhaps others sources were given understanding for you. After you know how the great a book, you feel desire to read more and more. Science book was created for teacher as well as students especially. Those publications are helping them to bring their knowledge. In other case, beside science reserve, any other book likes Spring Break to make your spare time considerably more colorful. Many types of book like this.
