**Teologia e Comunicação (Portuguese Edition)** Vera Ivanise Bombonato, Fernando Altemeyer Junior  
Esta obra insere-se na Coleção Teologia na Universidade, concebida para atender a um público muito particular: jovens universitários que estão tendo o primeiro contato com a área dos estudos teológicos. Realizada em parceria com um grupo de docentes com experiência no ensino introdutório da teologia, na sua maioria da PUC-SP, a coleção tem um caráter interdisciplinar. Na era da imagem e da informação virtual, das redes sociais, tornou-se uma necessidade urgente discutir, a partir de múltiplos olhares, a interconexão entre teologia e comunicação. Atenta aos diferentes desafios decorrentes da relação entre teologia e comunicação, a estrutura da obra segue a concepção de comunicação construída na PUC-SP: comunicação primária (corpo), estuda-se o corpo como lugar de transcendência e imanência secundária (mídia escrita), analisa-se a palavra dita e escrita e terciária (eletrônica), vislumbra-se a comunicação virtual e eletrônica ao que se acrescentou o debate sobre os aspectos éticos e desafios práticos da comunicação. Tudo isso nos leva à Palavra eterna de Deus, que se faz carne e nos ensina a discernir o momento certo para estar calado e a hora urgente de falar, pois na vida há tempo para tudo. Especialmente, tempo de sussurrar palavras geradoras de sentido.
