A man argues with his wife and wakes up in a strange land in this erotic comedy!

He soon realises he has shrunk to the size of a micro-organism and is lost on her body. But he is not alone; other men from her past life have washed up on the same shores.

He must survive in the hostile environment and find a way to communicate once again with his wife!

This funny - often hilarious - tale is reminiscent of science fiction story The Incredible Shrinking Man. But this is smart and sexy!
