Slow Days, Fast Company: The World, The Flesh, and L.A. Eve Babitz

There was a time when no one burned hotter than Eve Babitz. Possessing skin that radiated “its own kind of moral laws,” spectacular teeth, and a figure that was the stuff of legend, she seduced seemingly everyone who was anyone in Los Angeles for a long stretch of the 1960s and ’70s. But there was one man who proved elusive, and so Babitz did what she did best, she wrote him a book. She also pulled off a remarkable sleight of hand: *Slow Days, Fast Company* far exceeds its mash-note premise. It is a full-fledged and full-bodied evocation of a bygone Southern California. In ten sun-baked, Santa Ana wind-swept sketches, Babitz re-creates a Los Angeles of movie stars distraught over their success; socialites on three-day drug binges, evading their East Coast banking husbands; soap-opera actors worried that tomorrow’s script will kill them off; Italian femme fatales even more fatal than she is. And she even leaves L.A. sometimes, spending an afternoon at the house of flawless Orange County suburbanites, a day among the grape pickers of the Central Valley, a weekend in Palm Springs where her dreams of romance fizzle and her only solace is Virginia Woolf. In the end it doesn’t matter if Babitz ever gets the guy—she seduces us.

Catherine Ng:

Book is usually written, printed, or illustrated for everything. You can learn everything you want by a book. Book has a different type. To be sure that book is important issue to bring us around the world. Alongside that you can your reading ability was fluently. A guide Slow Days, Fast Company: The World, The Flesh, and L.A. will make you to always be smarter. You can feel much more confidence if you can know about anything. But some of you think this open or reading the book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you in search of best book or suitable book with you?

Robert McKay:

Exactly why? Because this Slow Days, Fast Company: The World, The Flesh, and L.A. is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking means. So , still want to hold up having that book? If I were being you I will go to the guide store hurriedly.

Karin Decker:

Reading a book to get new life style in this year; every people loves to examine a book. When you study a book you can get a wide range of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. In order to get information about your examine, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, and soon. The Slow Days, Fast Company: The World, The Flesh, and L.A. will give you new experience in reading through a book.
