Economía para todos (Spanish Edition) Robert Marcuse

En vista de la crisis económica mundial que estamos atravesando, no hubiese podido elegirse mejor momento para publicar este libro que, como todos los de Marcuse, por su sencillez, está al alcance de todos. Si bien él no es economista, hubiese sido difícil que siendo un banquero experimentado, no tuviese amplios conocimientos de economía. Podemos argumentar que, en este caso, el hecho de no ser economista puede incluso representar una ventaja, ya que ve los problemas económicos como los vivimos todos nosotros, en la vida diaria. Por eso, este libro es más empírico que teórico. Los ejemplos elegidos son sencillos y hasta divertidos. Marcuse quiere hacernos entender que, nos guste o no, somos parte integral de la economía y nos conviene por consiguiente comprender de qué trata. De paso, nos demuestra que el tema no es tan complicado como acostumbran pintarlo y que todos podemos entenderlo. Robert Marcuse es ciudadano uruguayo. Estudió en la Universidad de Columbia, y posteriormente completó el curso de “Advanced Management Program” en Harvard. Fue Gerente General y Director de varios bancos del grupo “Sudameris”, en Uruguay, Argentina, Venezuela, Estados Unidos, Perú y Colombia. Además, fue presidente de la Asociación de Bancos Internacionales de la Florida y asesor del comité directivo de la Federación Latinoamericana de Bancos. Publicó libros sobre finanzas y economía que tuvieron gran difusión en las tres Américas, gracias a su contenido empírico, su enfoque pedagógico y, la sencillez con la que están escritos, que los ponen al alcance de todos. Entre estos se encuentra “El banco nuestro de cada día” cuya sexta edición fue publicada por Granica en Noviembre del 2010.

From reader reviews:

Agnes Henson:

Book is to be different for every grade. Book for children until eventually adult are different content. As you may know that book is very important for all of us. The book Economía para todos (Spanish Edition) has been making you to know about other understanding and of course you can take more information. It is rather advantages for you. The e-book Economía para todos (Spanish Edition) is not only giving you more new information but also to get your friend when you sense bored. You can spend your own spend time to read your e-book. Try to make relationship with all the book Economía para todos (Spanish Edition). You never experience lose out for everything when you read some books.

Jeanne Gonzales:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even an issue. What people must be consider whenever those information which is from the former life are difficult to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Economía para todos (Spanish Edition) as your daily resource information.

Keith Cochran:

Is it a person who having spare time after that spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Economía para todos (Spanish Edition) can be the reply, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?

Catherine Hudson:

A lot of book has printed but it is unique. You can get it by online on social media. You can choose the best book for you, science, comedy, novel, or whatever by means of searching from it. It is called of book Economía para todos (Spanish Edition). Contain your knowledge by it. Without making the printed book, it may add your knowledge and make anyone happier to read. It is most crucial that, you must aware about publication. It can bring you from one destination to other place.
